HARMAN EXPLORE 2022

virtually on Twitter Spaces

January 5 – 7, 2022

To kick off 2022, HARMAN will be back in Las Vegas to showcase the latest innovations from its Lifestyle Division in headphones, portable speakers, home audio, aftermarket, luxury audio and professional solutions.

In case you cannot attend our HARMAN EXPLORE Showcase in Las Vegas and experience our latest products and solutions in person, we still have you covered! **Join our special Twitter Spaces Sessions** to enjoy **live audio conversations** with **HARMAN experts** and to ask **questions during the Q&A**.

To **join the sessions**, make sure to **follow** our **HARMAN Twitter Account [@Harman](https://twitter.com/Harman)** and join the session at the respective start time. While anyone can join our Twitter Spaces Q&As to listen in, make sure to have a Twitter account in order to actively contribute and ask our expert guests your questions.
